

2020 Junior Counselor Questionnaire

Thank you for your interest in the City of Beloit's Junior Counselor Program!

The Junior Counselor Program is geared for teens ages 13 to 15 who are ready to take on a leadership role in their community. With staff guidance and encouragement, Junior Counselors will work daily with campers to lead games, crafts, various activities and tasks as well as assist on field trips. As a Junior Counselor you will build relationships, gain self-confidence, work experience and learn skills that can last a lifetime as well as serve a role model to our campers.

Over the course of this program, you'll learn to use your unique talents and abilities to make a positive impact on the lives of participants in one or more program areas. Not only will you build a solid foundation for future employment, you will also gain essential skills and experience you will need to become a responsible, caring, and self-confident adult.

Junior Counselors are required to attend all camp staff training dates. These dates will be determined at a later date. All junior counselors will be notified in advance of these dates.

Completed Junior Counselor questionnaires along with a parent/guardian signature must be either dropped off or emailed to the following:
